 heavily worked branch 2 or 3 days take

it as ~~urgent~~ has not always been possible to avoid

AS has long been aware of the rush & heaviness of work of this Branch & the other officials of the Branch have been repeatedly bringing it to his notice, not to speak of the despatcher. The comparative heaviness of work obtaining in this branch has been to a very large extent responsible for hindering quick despatch of work particularly at the issuing stage which is the final ~~stage~~ of the Branch work where accumulation of files are often to take place for reasons other than the despatcher's attention, in accordance with the ebb & tide or the flood of urgent and immediate files attending the despatcher's table.

In spite of all this, all urgent and immediate cases and those treated all along as such with special instructions on the part of the case workers and the Superintendent or the officers are being issued instantaneously. Files which appear with index boards and slips etc denoting urgency

have also been attended to at once
 But as this case bore no indication
 of urgency and coloured boards
 it was ^{naturally} put up with ordinary files
 giving opportunity to miss immediate
 attention. It is not possible for
 the despatcher to go through the
 entire file before issuing it
 to see whether it is an immediate
 one or not. As usual it is the
 duty of the C W and the Supt to
 name the file urgent or immediate
 before passing it on to the despatch
 table. ^{to avoid possible delay, I may be kindly}
^{permitted to state} ~~as should like to express~~
 that amidst the heaviness of work
 or otherwise, the despatcher has
 no assigned jurisdiction to
 detect the urgency or importance
 of each and every file by group
 into its subject matter or history.

In view of the above named
 circumstances I request that
 the delay contemplated may kindly
 be overlooked.

Sir,

Subject -Disposal of the Slaughter House Building
on the Bannimantap Road

Adverting to G O No L 4797-9/M 11-45-82 dated the 7th
December 1946, directing the disposal of the above building
by the Municipality to the best advantages, I have the honour
to state that a sale was held on 20-1-46 for the disposal of the
building As there were no fair bids thereat, the Municipal
Council resolved at the meeting held on 28-1-46 that the building
might be reauctioned vide Resolution No 688/ dated 28-1-46 In
the meanwhile, a requisition was received on 23-2-1946 from the
Chairman of the Local Committee for the Prevention of Beggary, that
the building may be given for housing the poor temporarily There-
on the Council resolved on 19-3-1946 that the building might be
lent temporarily to the Committee, vide resolution No 813/19-3-46

The Secretary of the Local Diocesan Society had also in the
meantime requested for the building being given to them for being
converted into a Hostel for girls attending the St Philomena College
and offered a price of Rs 25,000/- therefor The offer was con-
sidered by the Council, who, at their Adjourned meeting held on
the 4th July 1946 resolved that the President be authorised to
dispose of the building and the premises to the Diocesan Society,
if the Society offers Rs 30,000/- for the building

The Secretary of the Society has, in response to this, offered
a sum of Rs 30,000/- (through an Imperial Bank cheque) for the
building The same is kept in deposit account for adjustment

In enclosing herewith the resolution No 1144 dated 4th July 1946 and also the letter from the Secretary of the Diocesan Society in this behalf, I request you kindly to obtain sanction of Government, under Section 41(2) of the City Municipalities Act to the disposal of the building for Rs 30,000/- Considering the estimated cost of the building with the site the bargain is favourable to the Municipality and I am of opinion the sale may be approved

I have the honour to be,
